

The Date of Your Deadline Here

(please circle all and any that apply)

Dear Mr./Ms. President/Vice President/Director,

On behalf of the Board of Directors I am pleased to submit the enclosed proposal/application/letter of interest. We are asking for \$40,000/\$10,000/whatever you decide to give us in support of our excellent/timely/important show *The Grant Farm* here at Arts 'R Us during our 2005-2006 season. We are very confident that you will find our enclosed application innovative/historically relevant/PR friendly and of great interest to your Board/Selection Committee/Panel of Experts. As you will see from our organizational history we have been dedicated to the needs of Emerging/Under-recognized/Commercially Undervalued artists and are committed to providing the resources/training/exhibition opportunities that they deserve. Let me also highlight that artists of color/from low income families/with unclassifiable disabilities are targeted as the primary beneficiaries of funding that your foundation/agency/marketing office would so generously award in support of the exhibition *The Grant Farm*.

Also, please find enclosed our most recent financial records that prove Arts 'R Us to be financially sound/approaching fiscal responsibility/having a surplus at least for a year out of three. Please do not hesitate to contact our grantwriter/ part-time staffer /Board Member who has so diligently/half-assedly/under extreme duress put together this application should you have any further questions.

Once again, We are confident that you will be slightly interested/obliged/not concerned in the least to review our enclosed proposal and wish you all of the best for a healthy 2005-2006 fiscal year and we look forward to your timely/dismissive/form letter response to our request.

Yours truly/with warmest regards/never expecting to meet you in my life-time,

Executive Director/Founder/Self-appointed Leader  
Arts 'R Us
